GET ON-COURSE - \$120.00

Improve and learn more about your game as you play. Our on-course instruction is now available for beginners, juniors, and more advanced players. Established golfers will improve their strategy; where to aim, what club to hit, and how to play certain shots. Beginners will learn course etiquette and feel more comfortable while achieving a better understanding of the game. Golfers will meet at the Juniper Hill Golf Shop at 6:15 pm to begin play.
